Delo® Bumper-to-Bumper Protection for On-Road Trucks

The product recommendations provide general guidelines for use in on-road trucks. All manufacturers have different coolant and lubricant requirements and recommendations. It will be important to contact a Chevron representative or refer to the Original Equipment Manufacturer manual to confirm the proper product is used for the application. Visit [chevron-gsc.force.com/lubeteksupport](http://chevron-gsc.force.com/lubeteksupport) for confirmation of specific OEM specifications.
